**Call to Order at 6:43, 29 members and 1 guest attending (0 on Zoom)**

- Approval of September 2025 minutes: Victoria & Noel
- Welcome new members and visitors, introductions
- Happy October Birthdays!

### Old Business

- Charity quilts - We collected 18 x 18" quilts for Metro Detroit Share and this month's charity blocks. Our new charity block is a Monochromatic Ohio Star, which will be added to our member FB group and included in the email with the minutes. Metro Detroit Share still has a need for boy and gender neutral blankets.
- Recap of the Detroit Fiber Festival
- Round Robin Swap - this is the last swap for everyone except the new member group, and we'll be doing the final reveals in December

### New Business

- November Board Elections - we need candidates for secretary and treasurer for 2026.
- Holiday Party - Tuesday, December 2, 2025, 6:30pm at Northbrook Presbyterian. We are looking at caterers and expect dinner to be about \$20 each. We will have vegetarian and gluten-free options. An email will be sent in November with details.
- Gift exchange at party - make a handmade/quilted item or buy a quilting/sewing related gift (\$25 limit)
- Children at meetings or sew-ins - members decided that they are fine with children attending sew-ins with some guidelines: if space is limited, members get first dibs on spots. Child must be 13+ and able to sit and sew or stay occupied without being disruptive. Folks also seemed ok with children occasionally coming to meetings, as long as they can sit quietly and entertain themselves and aren't too disruptive. Creative Passions doesn't allow children at their retreat center, so retreats will always be 18+.
