### Block Instructions:

1. Choose four main colors.
2. For each color, choose a fabric for a dark, medium and light tone.
3. Cut a 6.5" X 2.5" strip for each tone.
4. Sew together the three tones, in order from dark to light.
5. Sew the four blocks together, alternating the stripe direction. Make sure the light strips from each mini-block come together in the middle.
6. Block should finish at 12.5" x 12.5". Trim if necessary.

**Tip:** If you would like to make three blocks, gather fabric for each of the six main colors. Cut out 2 strips for every tone. You will have a total of 36 strips to make three blocks.
